### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert Frank on 6/29/06.

The application has been amended as follows:

Claims 49, 51 and 57 have been canceled.

The following is an examiner's statement of reasons for allowance:

Claims 49, 51 and 57, drawn to product-by-process claims have been canceled without prejudice to applicants right to file addition applications drawn to the canceled subject matter.

In light of the amendment of the amendments of 1/26/06 and the Examiner's amendment set forth herein above, the prior art neither teaches nor suggests the claims as presently recited. Neither does the art suggest modifying any reference to obtain the claimed process.

Accordingly, claims 1-48, 50, 52-56, 58-60 and 64 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
